VALOR HEIGHTS / COLLEGE CREDIT

Getting Started with ASU

Enrollment steps | After choosing your course

Earn college credit while still in high school, with course planning and coordination from Valor Heights. Universal Learner participation is separate from admission to an ASU degree program.

1 **Choose your course**

Select a course from the Universal Learner list on the preceding pages. Open its course link to review prerequisites, start dates, format, and workload.

2 **Register and enroll**

Register directly at ulc.asu.edu/how-it-works/. Use the student's legal information and a regularly checked email. Enroll in the selected course and pay $25 when prompted. Use an existing ASU account if applicable.

3 **Activate ASURITE ("Azurite")**

ASURITE is your student's ASU username. Allow approximately 1–3 business days for the activation email; check spam. Follow ASU's instructions to set a password, then allow about 24 hours for access to sync.

4 **Send the username to Valor Heights**

Email the student's full name, ASURITE username, and selected course to Jolie@valorheights.school and info@valorheights.school. Send only the username, never the password. Valor Heights will coordinate remaining school enrollment steps.

5 **Finish setup and begin**

Complete ASU's identity verification and dashboard tasks. Confirm the correct course appears, review deadlines, and begin when the course opens.

COURSE COSTS

$25 to enroll per course

+$400 optional, after passing, to add the course to an ASU transcript
